

Volunteer Kin Pass Application Form

The Winnipeg Folk Festival Kin Pass is a backstage pass that gives access to the children and childcare support of volunteers to the backstage area of the festival site. We recognize that many of our volunteers benefit from an enhanced festival experience with family members and we believe that selling these passes adds to the contributions our volunteers are able to make. This pass is also intended for our volunteers to be able to arrange for childcare support while completing their shifts. **To be approved your request must meet one of two criteria: 1) This Child is under 18 and related to you, 2) This Adult is required for childcare assistance.** Applications that do not meet these requirements will be placed on a waitlist until after the application deadline, pending available space.

To apply please complete the following form and indicate any associated Festival or Quiet Campground tickets required for each individual kin. All applications will be reviewed upon receipt and application status will be communicated via email notification.

Kin Passes must be paid for upon application, however payments will not be processed until after applications have been approved. If your kin have applied for the Apprentice program please note it in the space provided. Payment will be held for applicants of the Apprentice program until confirmation of their involvement on the crew is received.

I acknowledge that Kin Passes and associated camping tickets are non-transferable and are my personal responsibility. I understand that those using these passes are subject to the same standards of conduct as volunteers and are expected to act as ambassadors for the festival and represent the festival in a positive way. I also understand that if passes and associated camping tickets are used for any other purpose, my personal volunteer privileges may be revoked. I understand that the backstage area is a working area with heavy equipment and active machinery, and it is my responsibility to supervise my children.

I have read and agree to the terms listed here and the requirements for a refund request **I agree**

Passes will be available for pick-up under your name at your **Crew Meeting** (dates vary throughout June; your coordinator will communicate your specific date). If you are not able to pick up your Kin Passes at that time, please make arrangements with your coordinator to pick them up along with your access pass and T-shirt. Late applications will not be available at the crew meeting.

Refunds:

We will only issue a Kin Pass refund if your kin is accepted as a volunteer, apprentice volunteer, or as part of the Young Performers Program.

To apply for a refund, please obtain a Refund Request Form from our office. **The deadline to submit the form for consideration is July 21, 2017.**
